

CELEBRATE YOUR QUINCEAÑERA AT THE ROSE

We want every single one of your guests to say that your Quinceañera at The Rose was the best Quinceañera they've ever been to. The combination of a truly remarkable venue and our professional event staff will make your birthday dream day come true.

THE ROSE EVENT SPACE

Few venues in the world combine an authentic Western American history with the convenience of a major metropolitan location and immediate access to the Rocky Mountains like The Rose. Soaring ceilings, bold steel trusses, elegant lighting and original brick walls define the space capable of accommodating up to 300 guests for a dinner-style reception in this fully restored event venue. The facility is generally comprised of the main level with an elegant lobby, a transitional bar area to the main venue space, a dance floor with an elevated stage, and a second-floor mezzanine.

THE STATE ROOM

The upper mezzanine area features its own private bar, an elegant fireplace, two large TV screens and views overlooking Lookout Mountain, the foothills, and surrounding areas. The room is set-up with lounge and bar seating and can be utilized as an hors d'oeuvres location and/or second bar for up to 50 guests.

CREATE YOUR IDEAL SPACE

The Rose event venue is easily configured for smaller (50-100) and larger (100-300) receptions, and day-of use of The State Room private bar can either be included or excluded.
