Introduction

Thank you for considering The Rose for your event! The Rose has been the pulse of Golden since 1859. Over the past three centuries, The Rose has been many things to millions of locals and visitors alike. The Rose is widely recognized as the oldest saloon in the state of Colorado and as the state's second oldest business establishment. Among the other businesses that have operated on the property over the years are: a grocery store, hotel, car dealership, luxury indoor pool, labor union hall, department store, barbershop, butcher, tailor, drugstore, confectionery, roller skating rink, liquor distillery tasting room, law office, photography studio, and for the past 35 years, a lively concert venue that has hosted many well-known musicians and thousands of music fans.

In 2018, the current owner fully renovated the collection of historical buildings located on the site and added a new bar featuring one of the only retractable clear roofs in Colorado, and a state-of-the-art commercial kitchen in order to provide exceptional food for both the restaurant/bar and the event venue operations.

The Rose event venue has been completely refurbished. Dramatic historical design elements such as the steel roof trusses, classic brick walls and original windows have been restored, breathing new life into an iconic Colorado structure. Facility upgrades include all new flooring, bathrooms, lighting, heating and air-conditioning, audio/visual systems, decorative wood and steel finishes, updated private rooms to compliment the main event space, an inspiring collection of original artwork, refurbished antiques and much more.

It is the unique combination of the property's compelling history alongside the substantial recent enhancements that make The Rose a truly remarkable facility. We provide a complete in-house food and beverage program along with all of the amenities you would want for your special event, allowing guests to experience over 150 years of authentic American frontier history while enjoying contemporary food and drink offerings in a totally refreshed physical environment.

Come have a look for yourself and see why it's time to make your own history by holding your event at the beautiful and historic Rose!

Facilities

Located in the heart of charming downtown Golden only 20 minutes west of central Denver, 45 minutes from Denver International Airport, and at the foothills of the Rocky Mountains, The Rose has several interconnected indoor and outdoor options for private event space, making it the ideal venue for parties ranging from as few as 10 to as many as 800 guests. So whether it's a cozy fireside ladies' night out, drinks on the patio, a corporate conference, a company holiday party, or a grand charity gala, The Rose has the perfect space to comfortably accommodate your group.

The Rose Event Venue

Built in 1922 and converted into an elegant indoor pool in 1928 called the "Golden Plunge", The Rose event venue is a distinct and beloved downtown Golden property. Featuring 7500 square feet of total event space, this attractive two-story masonry building was fully restored to its bygone-era art deco glamour during the recent facility renovation. Visitors enter the building under the classic grand marquee on Washington Ave. and are immediately transported back in time to the great western American theaters of the early 20th century. Soaring ceilings, bold steel trusses, elegant lighting and original brick walls define the new venue. In addition, The Rose has two fully stocked bars, a concert-quality sound system, classic parlor games, four big-screen televisions, a large video projection system, a full-sized dance floor and an elevated stage enabling comprehensive entertainment options.

The event venue also has several private rooms attached to the main space and both public and private bathrooms for the convenience of your guests. The interior of The Rose is highly configurable allowing for guests to experience all of the building's architectural grandeur, or to create more intimate divided spaces. The main level of the venue can be rented together with the upper mezzanine or the areas can be reserved separately.

The highly flexible Rose venue is ideal for concerts and other live entertainment, large corporate events, charity galas, class reunions, Bar/Bat Mitzvahs, holiday parties, dinner theater, alumni gatherings, award banquets, family reunions, receptions, and many other types of gatherings.

The State Room

The State Room is located on the mezzanine level of The Rose event venue directly above Washington Ave. With nearly 1000 square feet of steam-punk elegance, The State Room has a private bar with its own highly curated drink program, views over Washington Ave. out to Lookout Mountain, private bathrooms, an elegant fireplace, and two large TV screens for watching the live event happening on the venue stage or to enjoy televised sporting events. Guests can access The State Room through a dedicated entrance on Washington Ave. or through the main venue space. The room is set-up with lounge and bar seating (50 ppl) and works well for cocktail-style/heavy hors d'oeuvres-style events. Smaller more intimate dining experiences with plated meals can be accommodated for an additional fee (25 ppl or less). Giant sliding glass doors open up on to the venue mezzanine, allowing guests to freely move from their private VIP suite out into the venue viewing area to enjoy a live event. This one of a kind room is ideal for private corporate gatherings, concert VIP ticket upgrades, food and beverage tastings, private dinners, graduation parties, meetings, smaller receptions, intimate plated meals, and championship game viewing.

The Buffalo Room

Established in 1859 as the International Bowling Saloon and re-built in its present architectural form in 1902, The Buffalo Room is the site of the oldest bar in the state of Colorado. The recent remodel fully restored the classic masonry façade, re-exposed and highlighted the original interior brick walls, and revealed many distinct architectural elements that have characterized this wonderful building since the early 20th century. The Buffalo Room is a semi-private dining room in our restaurant and is available for private dining. It is ideal for larger social dining functions (75 ppl). You can also add on the attached patio for an additional fee (20 ppl).

The Barbershop

A true piece of American West history in the heart of downtown Golden, this building was originally called the “Iler Block” and now serves as the entry area for the reconfigured the Buffalo Rose bar and restaurant. This classic old west structure was built in 1871 and operated as the Sportsman Barbershop for over a century from 1901-2017. The building is located at the corner of Washington Ave. and 12th St. and was completely restored as part of the recent remodel project. The Barbershop features one of the only exposed brick nogged walls still standing in the entire world! The space also features an original vaulted ceiling, handsome interior wood siding preserved from the Civil War era, and cozy lounge seating arrayed thoughtfully around a charming stone fireplace. The room opens conveniently out on to a patio along 12th Ave. The room is perfect for smaller celebrations (15 inside + 15 on the patio) and works well for cocktail-style/heavy hors d'oeuvres-style events.

The Back Deck

The Rose has long had an energetic outdoor patio along 12th St. The Rose patio remains in its original location, but is now directly connected to a new Rose bar by way of a large glass door opening. The private patio section that we refer to as the “Back Deck” seats up to 25 guests. Book the Back Deck and you and your friends will enjoy a cocktail party with live patio music in a comfortable outdoor setting. The area has two fire pits and is under a roof to shelter your party from the crazy Colorado elements. The Back Deck is set-up with patio-style lounge seating and works well for cocktail-style/heavy hors d'oeuvres-style events. This one of a kind space is ideal for smaller receptions. You can also add on the open-air Back Patio (25 ppl) which is set-up with high-top tables, umbrellas, and patio-style lounge seating.

Menu Planning

A major component of the recent facility upgrade is a brand new, best-in-class commercial kitchen. Operating out of the new kitchen, our highly accomplished chefs pride themselves on providing guests with an outstanding culinary experience. We assign an Event Coordinator to work with you on every detail of your event, including all aspects of food and beverage menu planning. Our menus are inspired by the freshest local ingredients so minor menu substitutions may occur to accommodate seasonal harvests.

We have an expansive selection of food and beverage offerings, including vegetarian (v), vegan (vegan) and gluten free (GF) options. Please let your Event Coordinator know if you are concerned about any ingredient allergies or if you have special requests, our staff will be happy to collaborate with you to develop a customized menu specifically for your special occasion.

Our banquet pricing is based on a minimum of 25 adult guests. The Rose offers plated dinner menu options for children between the ages of 6 and 12, or if you would like your kids to eat from the buffets, we offer a 50% discount for the little ones. Children 5 and under may eat from the buffets at no charge. Banquet food and beverage pricing does not include a taxable service charge or state and local sales tax. If you have more than 15 kids attending, we will be happy to set up a dedicated children's buffet table, space permitting. A suggested 20% gratuity will be applied to all food and beverage selections.

Plated meals, buffets and food stations are priced for 1½ or 2-hour meal durations as outlined below:

- Breakfast buffet: 1½ hours (between 7:00am–11:00am daily)
- Lunch buffet: 1½ hours (between 11:00am–3:00pm daily)

THE ROSE CASH BAR

The Cash Bar beverage program is based on actual guest consumption with the exception of special orders and kegs, which are paid in full, consumed or not. Cash Bars in the Main Venue and State Room where alcohol is donated to the event (as with non-profit events) will incur a \$200 set-up fee per bar. Bartenders are \$25.00 per hour, to include their set-up and tear-down time. One bartender is required for every 75 people for beer and wine (1 per every 50 for full bar). Cocktails offered will be from the most recent Rose drink menu unless an alternative beverage plan for the Event is developed between the Client and The Rose.

NOTE: Each bar in the facility has a unique beverage program and special drink offerings can be created specifically for your event.
